## **RULES AND CODE OF ETHICS**

(to be kept by member)

**ADMISSION:** The club reserves the right to accept or reject any application at its absolute discretion without assigning any reason for its decision. The annual fee covers membership with Selmun Sports Club, training weekly for the entire calendar year.

**OTHER DOCUMENTS:** Two recent passport size photos are necessary for new registrations. Registered players need one recent passport size photo only.

**COMPETITIONS/TRAINING SESSIONS:** Players will not be called for competitions if they have missed too many training sessions – no matter how good that player may be. Selected players are to be at the competition venue one hour before it starts, or as directed by the club management. The club will not provide transport for the competitions. Players who, for a serious reason, cannot attend training sessions are to inform the team manager by any social-media mediums.

**BEHAVIOUR:** Members will be immediately suspended from the club without any right for fee reimbursement following a serious violation of the club rules, damage caused to the sporting facilities and disrespectful attitude towards committee members, coaches, managers, assistants or other parents/children/players. Members will also be held responsible for any damage caused to the premises. Mobile phones are to be kept on silent during competitions and training sessions.

**INJURIES/LIABILITIES:** Although the participants will be under the supervision of the club's officials or coaches during training sessions and activities, the club does not accept any responsibility/liability for any personal injury or other damages that may be sustained by the participants during the clubs' training sessions, competitions and activities. The club is not responsible for the custody of personal effects of the participants, who are to refrain from bringing any items of a valuable nature for competitions and training sessions.
